Festivities have an almost decisive role in the development of tourism in this region. It is a near certainty that the Leskovac Grill Specialties Festival became a brand name by which Leskovac is recognized beyond the borders of Serbia. Other events too - entertainment, cultural, sporting, fair exhibitions - have shown to be excellent ways to draw tourists and to present tourist attractions which this region has to offer.

Ushering in the New Year at the Main City Square

One of the best organized city-sponsored New Year Parties, and with perhaps the longest tradition in Serbia, is the party at the main city square in Leskovac. Along with the organized musical program, in which the trumpeters cannot be overlooked, visitors receive hot beverages, and maybe the greatest attraction are the after-midnight fireworks.
